

## Probate Case Files Index – Polk County

This index provides:

|                                  |  |
|----------------------------------|--|
| <b>Case Number</b>               | The probate case file number   |
| <b>Name(s)</b>                   | The name of the deceased or guardianship   |
| <b>Exec/Adm/Guar &amp; Title</b> | The name and title of the executor, administrator or guardian  |
| <b>Filing Date</b>               | Date that the probate was filed with the county  |
| <b>Missing</b>                   | "M" designates that the record is missing from the collection  |
| <b>Roll Number</b>               | Where you can find the record:<br>Pol-### - On microfilm at the State Historical Research Center in Des Moines<br>FS-Scan - Online at <a href="http://FamilySearch.org">FamilySearch.org</a> |

### Finding the Probate Case File

Probates on microfilm (Pol-XXX) are available at the State Historical Research Center in Des Moines. The three digits following Pol- (example Pol-353) indicates that the record will be found on Polk County Roll number 353.

- 1846-1868 are arranged alphabetically on film
- 1869-March 11, 1914 are arranged by case number (#001-#8609)

Scanned images of probate records (FS-Scan) from Mar 11, 1914 (#8610) to Aug 10, 1925 (#15310) are currently being digitized by [FamilySearch.org](http://FamilySearch.org) and are available as they are completed.
