CORN AND AGRICULTURE

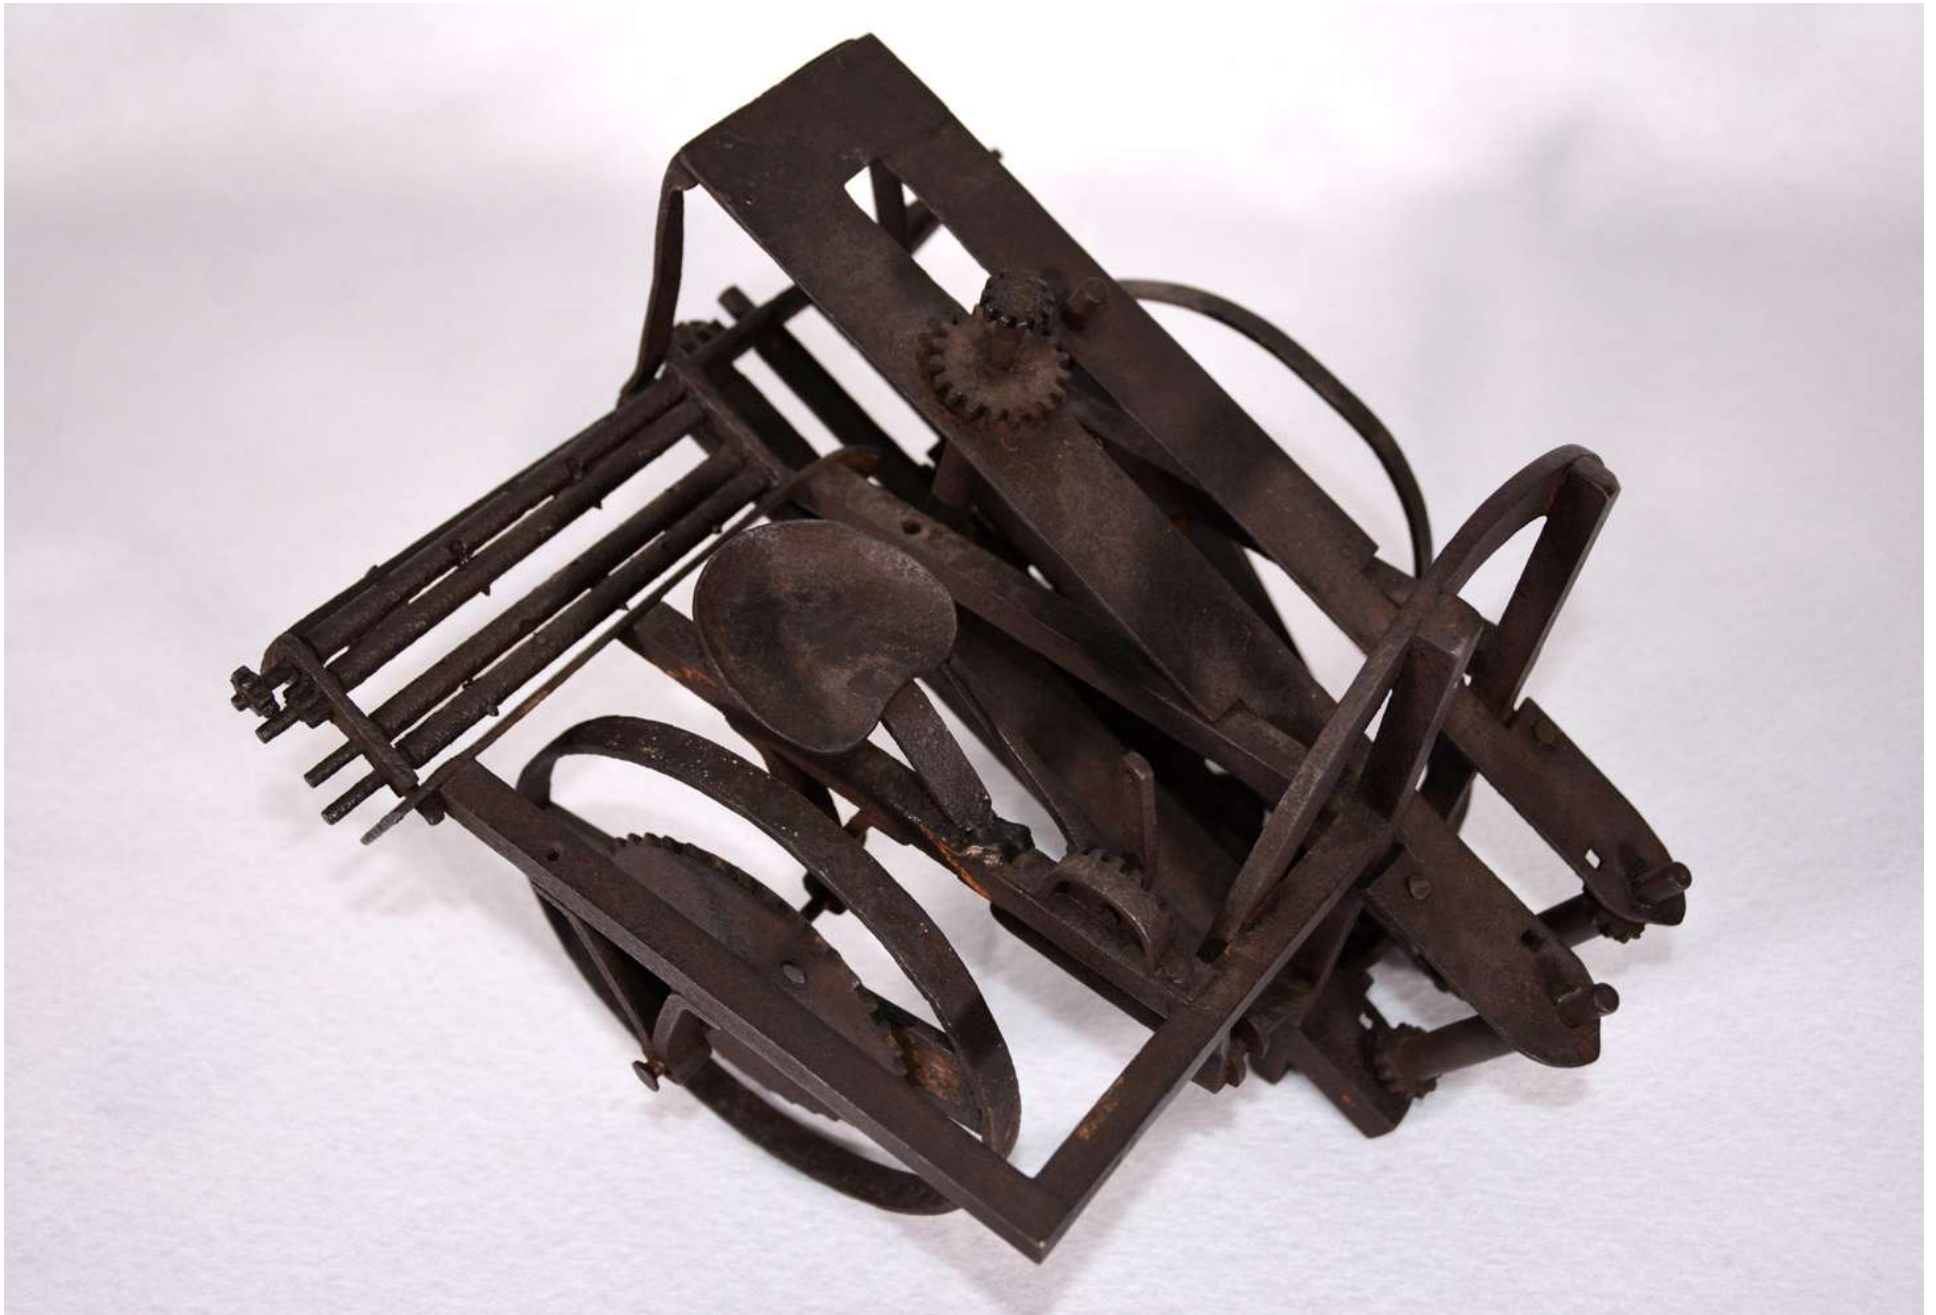

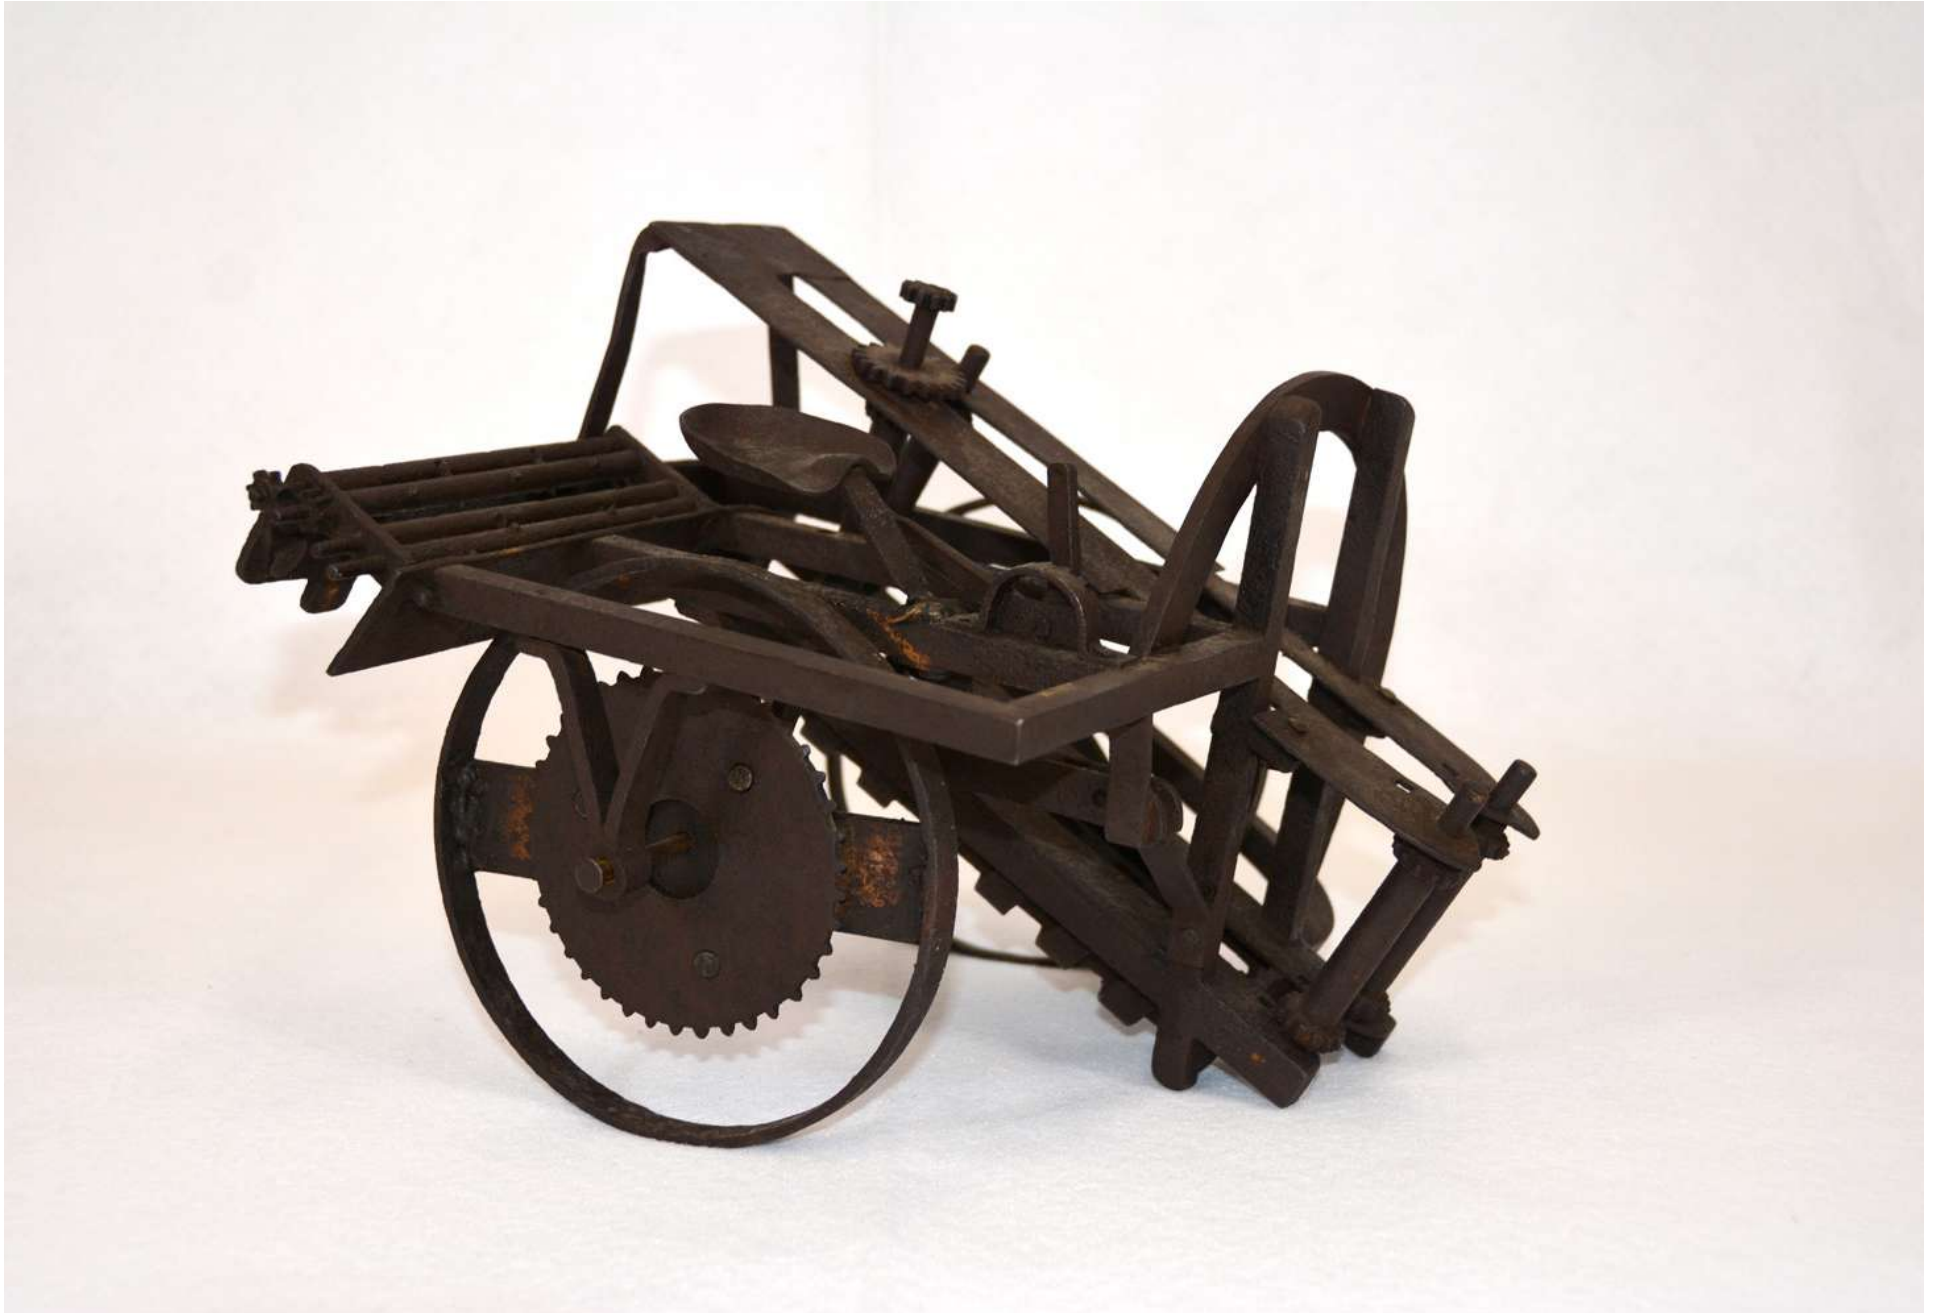

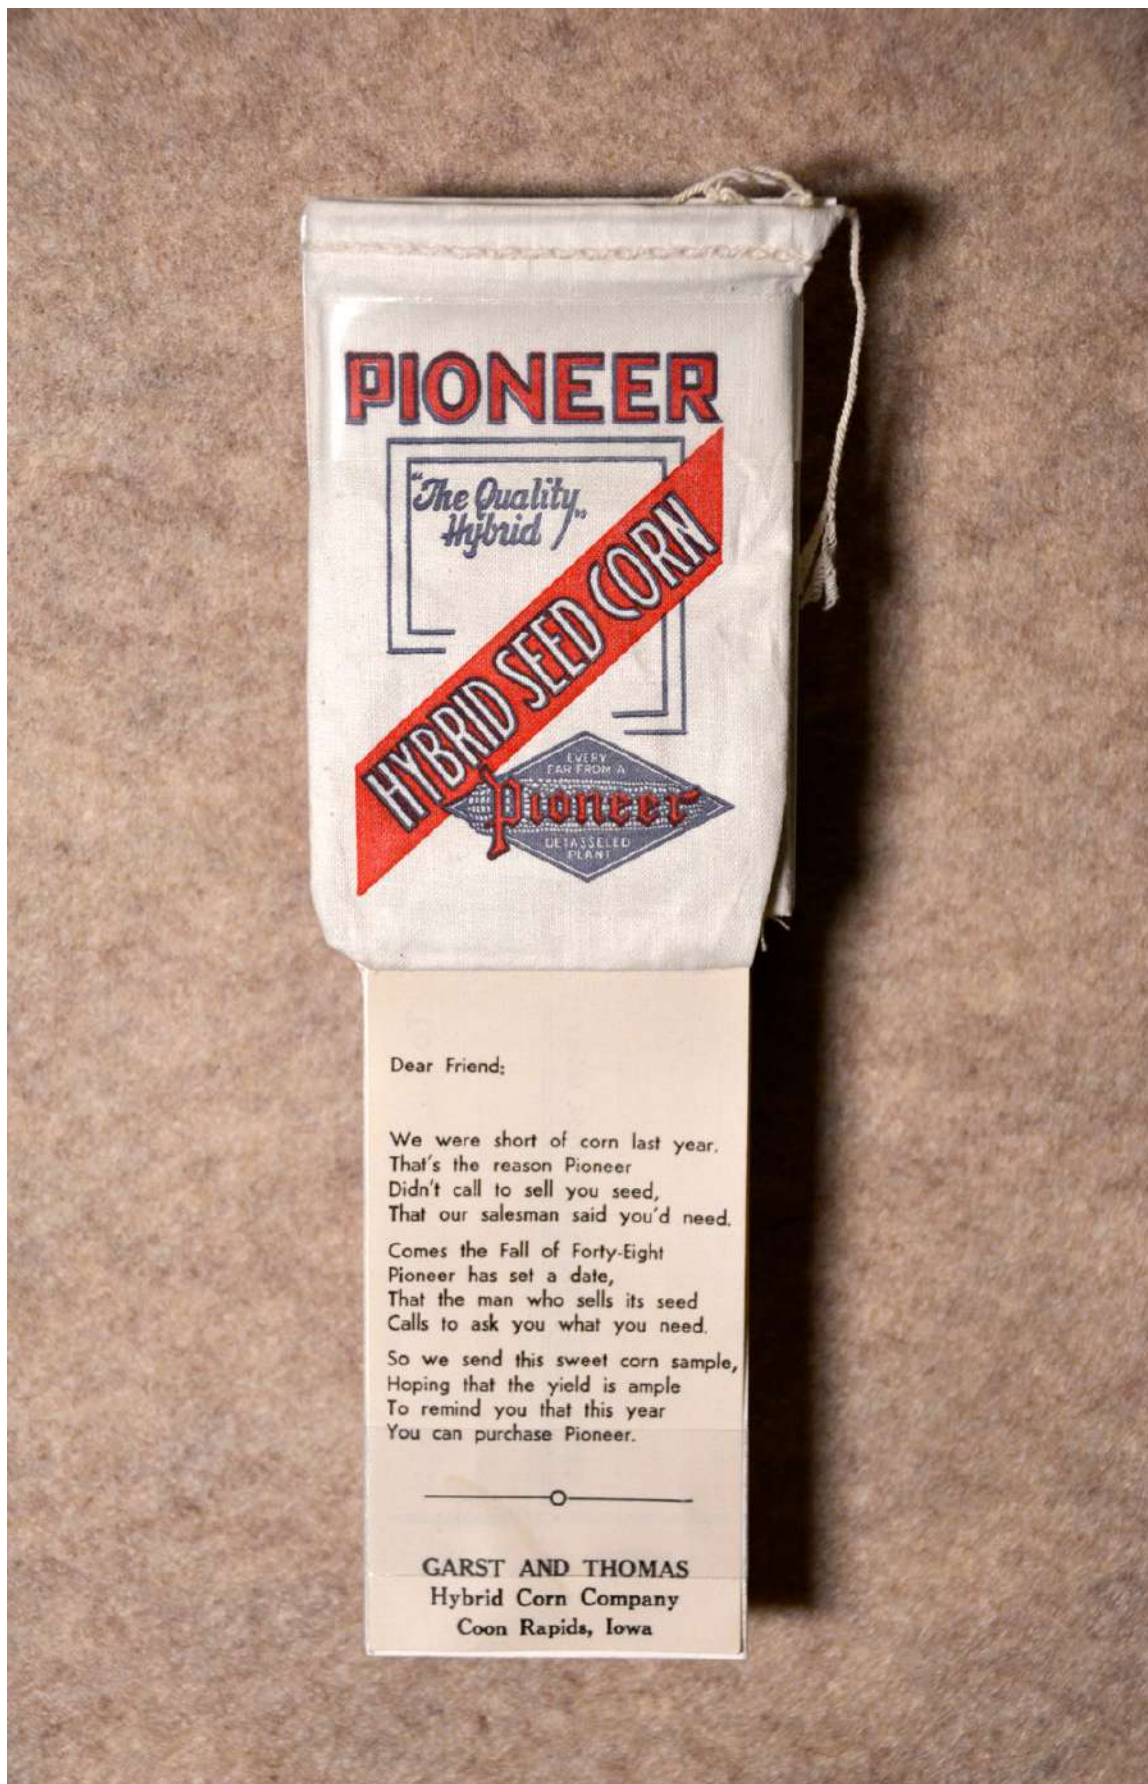

Dear Friend;

We were short of corn last year.
That's the reason Pioneer
Didn't call to sell you seed,
That our salesman said you'd need.

Comes the Fall of Forty-Eight
Pioneer has set a date,
That the man who sells its seed
Calls to ask you what you need.

So we send this sweet corn sample,
Hoping that the yield is ample
To remind you that this year
You can purchase Pioneer.
