President

Secretary

IF we could make our
wish come true, health would
FLY right back to YOU —
this very minute.

•

HERE'S hoping for you
free mind; a light heart and
a cheerful attitude, which
are sure aides to health.

Why Not Now?

There's a song that faith can sing,
Why not now?
There's a hope a friend may bring,
Why not now?
Hoarding the sunshine does not pay,
Joy was meant to give away,
Why not share your gifts today?
Why not now?

There are burdens love may lift,
Why not now?
Kindness bears a golden gift,
Why not now?
Earth has never known a creed
Like a pure unselfish deed,
Hearts are aching, give a heed,
Why not now?

—Alfred Grant Walton

LIFT UP YOUR HEART."

At any moment, anywhere,
For He selects no time or place,
Wherein alone He grants His Grace
But here and now He will impart,
His peace and power.
