

"The Whale that Swallowed Jonah," 1844

Daniel Webster, who is steering the boat:

"Throw 'em over, my Boys. It is better they should go than that the whole Whig party should perish!"

Henry Clay, looking down the throat of a whale labeled "Monster Bank:"

"Oh! crackee! this is the worst suck in that even I knew of, Instead of being able to suck in the people. I am going to be sucked in myself!"

Vice-Presidential Candidate Theodore Frelinghuysen:

"Oh dear! I am going to be swallowed! I wish I had not given up psalm singing for Politics!"
