

Flyer Distributed to Striking Sanitation Workers in Memphis, Tennessee, 1968

Have Sanitation Workers a Future?

Yes, If You Will Help to Build It!

How? That's Simple--

WE NEED YOU!

1. Do not shop downtown, or with the downtown stores anywhere in the city or any enterprise named Loeb.
2. Stop your subscriptions to the daily newspapers. Get news about the Movement from the radio or television or by joining the mass meetings. Be sure to pay your newspaper carrier his commission.
3. Do not buy new things for Easter. Let our Lent be one of sacrifices. What better way to remember Jesus' work for us and the world?
4. Support the workers with letters and telegrams to the Mayor and the City Council.
5. Join us in the daily marches downtown.
6. Call others each day and remind them of the movement.
7. Attend the nightly mass meetings Monday through Friday.
8. Do not place your garbage at the curb. Handle it the best way you can without helping the city and the Mayor's effort to break the strike.
9. Whenever you associate with white people, let them know what the issues are and why you support this cause.
10. Support the relief efforts for the workers and their families with gifts of money and food. Checks can be made out to "C.O.M.E." and food taken to the Clayborn Temple A.M.E. Church, 280 Hernando.

Community On the Move for Equality [C.O.M.E.]
