### **Article I – Purpose:**

Fair Trade Campaigns is a powerful grassroots movement mobilizing thousands of conscious consumers and Fair Trade advocates at schools, on campuses and in communities across the United States. We are part of a global effort to normalize Fair Trade as an institutional practice and consumer preference across 24 countries and on six continents. Our mission is to grow a nationwide community of passionate, lifelong Fair Trade advocates. As advocates, their commitment will inspire others to support the Fair Trade movement in its efforts to seek equity in trade and create opportunities for economically and socially marginalized producers. Fair Trade Towns, Colleges, Universities and other communities embed Fair Trade values and purchases into mainstream business and institutional practices.
